

Confessions tonight. 4-5pm, and after vigil. 04/04/2020 ns, 5th Sat of Great Lent

Txt (not call) me Fr S 972 658-5433

I had the ambition to start confessions at 3pm, but it's proving to be quite difficult. So, confessions will start at 4 PM, and I will call you.

Please send me an email or text, and I will just go down the list, as much as possible first come first served

I can call you on WhatsApp, or with a private zoom video conference, or Facebook video chat, or Skype, or the plain old telephone. I think a video session is more natural. When you text me, pick your preferred way.

If you have WhatsApp on your phone, I will just call you and you receive it like a regular phone call. If you choose Facebook, all you need to be is logged into Facebook, I think. I have Skype, but I haven't used it in a while, so there might be particulars that I don't understand.

If you want to confess to Father Nicholas, please make arrangements through him. That is what he asked me to tell you. Just call, preferably, text him 972-839-2439. I don't know when he is available for confession.
